SELF-SERVICE PASSWORD RESET for STUDENT E-MAIL Is Here!

Starting Monday, 6/13/16, your student e-mail will allow you to reset your password yourself! To make this happen, you will first need to set up your password reset options. After you do, anytime you forget your password you will be able to use the self-service password reset options. When you log into your student email on or after 6/13/16 you will be prompted to set up your e-mail password recovery options. Please follow the steps to set it up, if you bypass the process you will be prompted to complete the steps at every log in.

1. Click “Set it up now”

2. Click “Set it up now” and fill out the form on at least two options.

3. Click “finish” when you are done to continue to your e-mail.

Note: Authentication Phone will ask for your cell phone number to text you an authentication code to enter in the form.

Note: Authentication Email will ask for a different email address be entered. It will then send an authorization code to your email.

Note: Security Questions will require you select 5 questions to answer.
